I am product, I am a symbol  
Of endless, hopeless, fruitless, aimless games  
I'm a glossy package on the supermarket shelf  
My contents aren't fit for human consumption  
I could tragically injure your perfect health  
My ingredients will seize up your bodys function  
I am the dirt that everyone walks on  
I am the orphan nobody wants  
I am the staircarpet everyone uses  
I am the leper nobody wants to touch....much  
I am a sample, I am a scapegoat  
For useless, futureless, endless, mindless ideas.  
I am a number on the paper you file away  
Portfolio you stick in the drawer  
I'm the fool you try to scare when you say  
"We know all about you, of that you can be sure"  
I don't want your crazy system  
I don't want to be on your files  
Your temptations I try to resist them  
Cos I know what hides beneath your smiles,  
Its.....EST  
I am a topic, I am a subject  
For useless, futureless, endless, mindless debates  
You think up ways that you can hide me  
From the naive eyes of your figurehead  
But don't you find that it ain't easy?  
Wouldn't you love to see me dead?  
Answer is to give me treatment  
For crying out when you give me pain  
Leaves me with no possible remnant  
Poke your knives into my brain  
You send me insane  
I'm an example, I'm no hero  
Of the great, intelligent, magnificent, human race  
Well I'm part of the race that kills for possessions  
Part of the race that's wiping itself out  
Part of the race that's got crazy obsessions  
Locking people up, not letting them out  
Hate the living dead and their work in factories  
Go like sheep to their production lines  
Live on illusions, don't face the realities  
All they live for is that big blue sign

It says, it says FORD  
I'M BORED, BORED, BORED, BORED
