Think I was born on this wretched earth for you to
govern and kill?
In your stinking factories and offices with your stupid
systems and skills?
Think I've got nothing better to do than to grovel in the
shit and the crap?
Asking for the bread and home that's mine and waiting
for a pat on the back?
Think I've got nothing better to do than to live in the lie
that you give?
Learn the sweet morals, the lessons, the games
And praise god for the fact that I live?
You took me and made me a MAN by making me
strong, the power of this land
You took a woman and taught her she's less
A slave to the strong no more than a guest
You taught me to love, find a mate and to take
A woman to serve but your love is just rape
You leave me my children to hold and distort
To bind with your rules of normality til caught
I give them the food that you sell in the shops
I'm told is has goodness when it's only the slops
You've taken my health with your shitty benevolence
You've take my dignity with your dole queue
dependence
You taught me to steal when I wanted to share
To take for myself and not even care
You've stifled my vision with oppressive authority
Dreams and the hopes nearly fade to strangle me
Gave me confusion until I had learnt
To obey all the orders and never get burnt
I shout in the streets and you take my voice
This sham of democracy leaves no choice
Take my eyes 'til there's nothing to see
Except abuse and destruction, no chance to be free
Taken my thinking, my means of survival
Thrust in my hand your gun and your bible
Told me to kill for the lord up above
You've given me hate when I KNOW THERE IS LOVE
Told me to kill for the lord up above
You've given me hate when I KNOW THERE IS LOVE
