If you see that love shine through

Don't be afraid to show me that you care

And I will take all the doubts in you

And show you what to do

And find a way to make you feel

That I am here ready to show you the way

Refrain :

So, if you say goodbye to me

Always remember this....

that woman you really mean more to me

And if someone else would come

I (hope/wish) it would be someone who will love you
more

And will take care of you

Much more than I can do

Bridge :

Dreams are there for us

Dreams are sometimes end

Don't ever think that I am just a dream

(Repeat refrain)

(Repeat bridge)

(Repeat refrain to fade)
