You who have dreams
If you act, they'll come true
To turn your dreams to a fact
It's up to you
If you have the soul and the spirit
Never fear it, you'll see it through
Hearts can inspire
Other hearts with their fire
For the strong obey
When a strong man shows them the way

Give me some men who are stout-hearted men
Who will fight for the right they adore
Start me with ten who are stout-hearted men
And I'll soon give you ten thousand more-ore

Shoulder to shoulder, and bolder and bolder
They grow as they go to the fore
Then there's nothing in the world
Can halt or mar a plan
When stout-hearted men
Can stick together - man - to man...

Oh...
Give me some men who are stout-hearted men
Who will fight for the right they adore
Start me with ten who are stout-hearted men
And I'll soon give you ten thousand more-ore

Shoulder to shoulder, and bolder and bolder
They grow as they go to the fore
Then there's nothing in the world
Can halt or mar a plan
When stout-hearted men
Can stick together - man - to man...
(Give me some men who are stout-hearted men) [fade]
