Blast  
Killed  
Shot in the head

Bullet in the eye  
The motherfucker's dead

Body  
Bleeds  
Blood meets seed

Testing the gut  
Slicing the meat

Kill them  
Kill the motherfuckers  
Kill them

He's twisting and turning  
Gorgeous he's struggling  
Flesh is corrosive  
You're human disposal

Kill them  
Kill the motherfuckers  
Kill them

He's twisting and turning  
Gorgeous he's struggling  
Flesh is corrosive  
You're human disposal
