I am a million beasts, the Antichrist, son of demons,
bringer of lies.

To sacrilege, to sacrifice, to let you taste a world
divine.

Call me forth by many names,

I'll send locusts, spread the plague, create war by
creating hate.

Blood will flow, the seas are red, I manipulate and
reign in death,

My sight is all you'll ever see, you're enchanted
through my blasphemy!

[Lead Dennis]

Strong is the enemy, prepare to die, Lucifer supreme,
the oath is mine. [x3]

Strong is the enemy, you're so weak, die as Christ, I am
a million beasts, I am legion!
