My mind is blank, no thoughts inside
I never thought that this could happen now
But now I'm all alone, sitting on your bedroom floor
tonight
My side is aching, and I never thought I ate so much...
Where'd my wallet go? You said, "It's in your hand!"

We paid our 8 bucks at the door (Now we sit here all
alone)
Jesse's on the phone (he told us to wait here a minute)
I'm afraid to go to sleep tonight (for all my dreams will
haunt us)
Jesse, please take us home

I'm tired now, and I lost my money
I guess it's time to hit the sack. G'nite
But wait a minute
Spencer's out, he's puking on the deck
Oh shit, I hear his mom
Just play cool, pretend that you're asleep
She'll never find us here
Tomorrow everything will be okay

We paid our 8 bucks at the door (Now we sit here all
alone)
Jesse's on the phone (he told us to wait here a minute)
I'm afraid to go to sleep tonight (for all my dreams will
haunt us)
Jesse, please take us home

My mind goes blank
With thoughts of you, and thoughts of
Yesterdays gone by
I wake up to the sound of music
Mom yells my name...
Jesse, take us home...
Jesse, take us home...
Jesse, take us home...

Take me home
Take me home
(I don't wanna) Take us home

Jesse, take us home
