A dying flame, you're free again  
Who could love and do that to you?  
All dressed in black, he won't be coming back  
Save your tears, you've got years and years

The pains of seventeen's  
Unreal, they're only dreams  
Save your crying for the day

Fool if you think it's over  
'Cos you said goodbye  
Fool if you think it's over  
I'll tell you why

New born eyes always cry with pain  
At the first look at the morning sun  
You're a fool if you think it's over  
It's just begun

Miss teenage dream, such a tragic scene  
He knocked your crown and ran away  
First wound of pride and how you cried and cried  
But save your tears, you've got years and years

Fool if you think it's over  
'Cos you said goodbye  
Fool if you think it's over  
I'll tell you why  
(Fool if you think it's over  
Fool if you think it's over)

I'll buy your first good wine  
We'll have a real good time  
Save your crying for the day  
That may not come  
But anyone who had to pay  
Would laugh at you and say

Fool if you think it's over  
'Cos you said goodbye  
Fool if you think it's over  
I'll tell you why
