The first time that I saw you
I went head over heels
you were the one for me
I just adore you
see I'm down on my knees
and now we've found each other
I could never leave

Joey, I've fallen in love, oh yeah
Joey you're all I'll ever need
Joey, I've fallen in love, oh yeah
Joey you're all I'll ever need

Sometimes when I feel like
I'm fighting the world
I know you're on my side
they're trying to control me
with their promises now
but we've still got each other
when they try and get us down

Joey, I've fallen in love, oh yeah
Joey you're all I'll ever need
Joey, I've fallen in love, oh yeah
Joey you're all I'll ever need

You're part of my life
everyday I need your love more
oh and I'll never give you up
is it me you're looking for ...

Joey, I've fallen in love, oh yeah
Joey you're all I'll ever need
Joey, I've fallen in love, oh yeah Joey you're all I'll ever
need.
