Don't you see me?
You've got the key
Can't you hear me?
Deep in your eyes
I can see your lonely heart
Believe in us
Can you hear me?

Can you hear me?

Don't you see me?
I am waiting here for you
You've got the key
Can't you hear me?
Deep in your eyes
I can see your lonely heart
Believe in us
Can you hear me

Don't you see me?
You've got the key

Don't you see me?
I am waiting here for you
You've got the key
Can't you hear me?
Deep in your eyes
I can see your lonely heart
Believe in us
Can you hear me

Don't

See me
