Intro

Elements

As your body is relieved of your spirit  
which has returned to pure energy  
you'll become a part of the elements

feel this fire deep inside  
burning stronger you can't hide  
join the elements tonight  
and see the light

when the darkness comes too strong  
don't forget you're not alone  
join the elements tonight  
and feel the light  
(the light)

( and feel the light )

Elements

join the elements tonight x3  
and see the light  
join the elements tonight x3  
and feel the light

( feel the elements )

feel this fire deep inside  
burning stronger you can't hide  
join the elements tonight  
and see the light

when the darkness comes too strong  
don't forget you're not alone  
join the elements and feel the light

( the light )
