Let me feel your heat inside  
And take me by your hand  
Come and hold me tonight  
Never let me down  
I want your love tonight

I want you now  
So take me by your hand  
Let me be your summer love  
Never let me go  
I want your love tonight

I want your love tonight x3  
Don't you wanna feel my love tonight?

I want your love  
I need your love

Tonight  
Don't you wanna feel my love tonight?

Tonight  
Don't you wanna feel my love tonight?

Tonight  
Don't you wanna feel my love tonight?

I want your love  
I need your love  
You're all I want  
I want your love

I want your love x2  
Don't you want my love?  
Tonight  
Don't you feel my love?  
I need you love  
Don't you want my love?

Tonight  
Don't you wanna feel my love tonight?

Tonight  
Don't you wanna feel my love tonight?

Oh I  
You are all I need  
Oh I need your love  
Don't you want my love? x4  
Tonight
