How can I just let you walk away  
Just let you leave without a trace  
When I stand here taking  
Every breath with you  
You're the only one  
Who really knew me at all  
How can you just walk away from me  
When all I can do is watch you leave  
'Cause we've shared the laughter and the pain  
And even shared the tears  
You're the only one  
Who really knew me at all

So take a look at me now  
Oh there's just an empty space  
And there's nothing left here to remind me  
Just the memory of your face  
Take a look at me now  
Well there's just an empty space  
And you coming back to me is against the odds  
And that's what I've got to face

I wish I could just make you turn around  
Turn around and see me cry  
There's so much I need to say to you  
So many reasons why  
You're the only one  
Who really knew me at all

So take a look at me now  
Well there's just an empty space  
And there's nothing left here to remind me  
Just the memory of your face  
Well take a look at me now  
Well there's just an empty space  
But to wait for you is  
All I can do  
And that's what I've got to face  
Now take a good look at me now  
Now I'll still be standing here  
And you coming back to me is against all odds

That's the chance I've got to take

Take a look at me now
