[Verse 1]

Raindrops on her cheek,
But the sky is dry.
School uniform is torn,
But she won't say why.
Now Alice are you okay?
Are you sure that you're fine?
Is there somethin' tryna hide?

[Chorus]

Girls and boys alike
Time to end this fight
Before it's too late
Now you just gotta know
I'm here for you
And I will fight until I'm
Black and blue
Cause sticks and stones,
May break my bones
But it's all worth if
I've got you
Because I'm here for you
For you, for you
Because I'm here for you
For you, y-y-you
Because I'm here for you

[Verse 2]

Daydreamin' out the window
Prayin' for help
Too young to talk but he knows
A leather belt
No Sonny, it's not okay
Cause, I heard his cry
And his daddy still denies

[Chorus]

[Bridge]

Cause I am just like you
But I got away

These bruises make me
Who I am today
And no, I'm not okay
I'm just great
Pemass by my side
Thank you Mr. Wade

And you just gotta know
I'm here for you(you 4x)
And I will fight until
I'm black and blue(blue 4x)
Cause sticks and stones
May break my bones
But it's all worth while
If I've got you...
