Intake your salvation
Where the bugs will crawl

I don't wanna know you
But your everywhere I go
And it's like the sky will fall

It's like the page can't turn
As if the air dissolved
As if the pages turned
As if the book would burn

Allowing a nation
Lack of control

I don't wanna know you
But your everywhere I go
And it's like the sky will fall

It's like the page can't turn
As if the air dissolved
As if the pages turned
As if the book would burn

I know a way to lie today
I know a day where I can stay
Today
