"Jewelery"

Today is the day
The threading will fade
Today you held me together
Fasten stuffing, silk and feather
Tied up in lace

It won't be too long
To know I'm not wrong

You can wear me like a piece of jewelery

Quenching the thirst
Made stitching well burst
Today's the day
You sewed my skin
With angel hair and insects ring
And softened the curse

It won't be too long
To know I'm not wrong

You can wear me like a piece of jewelery
