Primate odysseys through the modern era guide
Since the Masters respawned from the old times

Neo-Neanderthals dismembering a deer and a child in
front of the entrance Hypogeum of Hal Saflienti -- 3
more myriads --
placing its remains on a bed of stones -- sprinkling it
with red ocher --
A magical attempt to control life and death in the deer
kingdom

Annihilated Australia demolished between the fingers
of a Flores zombie
Unknown hominids from the Well of Sheshna in
Benares
Resurrection from the bowels of the Earth assailed with
the smell of putrid air and cobras

Death, the dead have died by the deeds of the
travelling neo-Neanderthals
Dreaming vile dreams the mortals did not dare to
dream before
