Do you think I'm skinny?
Should I loose a few?
You told me to stop eating,
Now am I good enough for you?
Your mouth is a gun it shoots me down
Bang, bang I hit the ground
Then why did your teeth pull the bullet out?
But I pick myself up, now watch me turn around!

Cuz your're the only, one with issues
I'm not your Barbie, your're so superficial
Yeah you
Over and over again
Your're just a piece of shit to me

Do you like my boobies?
Would you rather they were huge?
You told me you like pornstars
So I guess that means were through
Your mouth is a gun it shoots me down
Bang, bang I hit the ground
Then why did your teeth pull the bullet out?
But I pick myself up, now watch me turn around!

Cuz your're the only, one with issues
I'm not your Barbie, your so superficial
Yeah you are
Over and over again
Your just a piece of shit to me

Oh, ah, yeah you
Haha
Your just a piece of shit to me
Nanana
Not me
Whoa

Cuz your're the only one with issues
I'm not your Barbie, your're so superficial
Ooooh Over and over again
Your just a piece of shit to me, to me

Your just a piece of shit to me
Ooooh oooh
Owowow
Oooh
