I know, I know I've let you down  
I've been a fool to myself  
I thought that I could  
live for no one else

But now through all the hurt and pain  
Its time for me to respect  
the ones you love  
mean more than anything.

So with sadness in my heart  
I feel the best thing I could do  
is end it all  
and leave forever  
whats done is done, it feels so bad  
what once was happy now is sad  
I'll never love again  
my world is ending

I wish that I could turn back time  
'cause now the guilt is all mine  
can't live without the trust from those you love.  
I know we can't forget the past  
you can't forget love and pride  
because of that it's killing me inside

It all returns to nothing, it all comes  
tumbling down, tumbling down,  
tumbling down,  
it all returns to nothing, I just keep  
letting me down, letting me down,  
letting me down,  
in my heart of hearts,  
I know that I could never love again  
I've lost everything  
everything, everything  
that matters to me,  
matters in this world

I wish that I could turn back time  
'cause now all the guilt is mine  
can't live without

the trust from those you love  
I know we can't forget the past  
we can't forget love and pride  
because of that, its killing me inside

It all returns to nothing, it all comes  
tumbling down, tumbling down,  
tumbling down

it all returns to nothing, I just keep  
letting me down, letting me down,  
letting me down

It all returns to nothing, it all comes  
tumbling down, tumbling down,  
tumbling down

it all returns to nothing, I just keep  
letting me down, letting me down,  
letting me down
