I've had a fir burning since the holidays began. I Hear  
it's cold out where you're living, but it ain't colder than  
I've been.

I've been an animal since you've left me. I need you  
wrapped under my tree.

My Christmas cheer is here and ready, but where are  
you to set it free?

I sit alone by the fire inside our home.

Outside the snow is falling and I'm singing

Wish as I may, Wish as I might

Grant me this one small wish on Christmas night

Cause I don't need candy, or the toys from my youth

I just want you, oh darlin' I just want you

I've had a candle burning, hoping you'll come back to  
me

I think this may be more than anything Mr. Santa Clause  
can bring

I was adorable when you left. I; m on the naughty list  
this year

A lump of coal won't do it justice, it's all the loneliness I  
fear

I sit alone by the gifts in our own home

You're not a single one and now I'm singing

Wish as I may, wish as I might

Grant me this one small wish on Christmas night

Cause I don't need candy, or the toys from my youth

I just want you, oh darlin' I just want you

I'm not the Grinch

I'm not Mr. Scrooge

My heart just needs your light

The only thing I'm doing is crying in my room, and  
singing

I wish my baby would be here with me tonight

Oh oo oh oo oh oo oh

Oh I've been so lonely

Wish as I may, wish as I might  
Grant me this one small wish on Christmas night  
Cause I don't need candy, or the toys from my youth  
I just want you, oh darlin' I just want you  
OH oh oh I just want you, oh darlin' I just want you  
Oh oo oh I just want you oh darlin I just want you
