Deep inside
I need to find a reason
Why the fire in your heart's so cold
And why's it burning my hand
Are you listening?
Can you understand?
Can I make you open up your eyes?

(Chorus)
Look at me
Now the damage is done
I've left your excuses
Look at me
You took advantage of me
You wasted me... I'm Colorblind

All in vain
Now I'm banging my head on your wall
Wasting time living lies
That feels so cold
While I sit on my hands

Are you listening?
Can you understand?
Can I make you open your eyes?

(Chorus)
Look at me
Now the damage is done
I've left your excuses
Look at me
You took advantage of me
You wasted me... I'm Colorblind
