Take me higher
Lift me up
Bring me to where Iâ€™ve never been
Wrap me tighter
Fill my cup
Iâ€™ll let you pour I wonâ€™t say when

If Iâ€™m going under
Take my hand
Save me for another day

(Chorus)

Is there anywhere that we can go?
Can we just run away and hide?
What are you looking for well I donâ€™t know
But I feel it burning up inside
Iâ€™m Alive

Iâ€™ve got that feeling
You know the one it makes you shake from deep inside
Iâ€™m down and kneeling
Facing the sun
My eyes and mouth are opened wide

Just one more reason
One last try
One more time, another day

(Chorus)

Is there anywhere that we can go?
Can we just run away and hide?
What are you looking for well I donâ€™t know
But I feel it burning up inside
Iâ€™m Alive

(Bridge)

Donâ€™t wake me when I fall asleep
Donâ€™t tell me when itâ€™s over
Just let it fade away
â€¦â€¦oh
