Iâ€™m gonna take whatâ€™s mine
I wonâ€™t get left behind
Leave before thereâ€™s nothing here for me
All the sacrifice, listen to my own advice
And leave my fate to something higher

Have I ignored whatâ€™s been laid before me
Been scarred by crosses Iâ€™ve had to bear

(Chorus)

Someone save me, am I strong enough to see this all
the way? Strong enough to say
Can you hear me? Could you give me strength to fight
another day? Am I alone?

Soon the leaves will fall
Now that Iâ€™ve been through it all
Caught between reality and dreams

Is this over now?
Still feeling in my soul somehow
Nothingâ€™s every really as it seems

Iâ€™ve walked behind those I thought would lead me
Embracing words searching for peace of mind

(Chorus)

Someone save me, am I strong enough to see this all
the way?
Strong enough to say
Can you hear me? Could you give me strength to fight
another day? Just find another way
Will this break me?
Am I strong enough to fight this fear again just one last
time?
