"Game of Chance"

I close my eyes to see
our kind of destiny
and wonder if we truly
fought for happiness

I close my eyes to feel
how much your love is real
that thoughts about our future
will never let me rest

I know, I know it all
Love is only game of chance to you
I know, I know it all
It's so hard to make you love me too
...love me too

Maybe we had better start again
Maybe we'll forget the past
Maybe I can make you understand
Maybe you'll be true at last.

I close my eyes to hear
you whisper in my ear
all those lies you tell me
to hide yourself away

I close my eyes to see
love is my destiny
and wonder if you need me
or if you gotta say

I know, I know it all
Love is only game of chance to you
I know, I know it all
It's so hard to make you love me too
...love me too

Maybe we had better start again
Maybe we'll forget the past
Maybe I can make you understand
Maybe you'll be true at last.
