The supreme bestial  
The dark infinite  
Bringing the war of fire and iron  
Annihilating your most insignificant principles  
Weak creature, false knowledge  
Malevolence acts lighting the triumphal flame

Christ crucified again

My hate means revenge  
In your domains I will profane your commandments  
Guided by the supreme creature  
My impure thoughts will crucify your God again

In your domains  
Guided by the feared creature  
My hate means revenge  
In your domains

Your faith will weigh when you provoke my anger  
Nailed in pain, bleeding mortal laments  
Blasphemies return by force of the wisdom  
I follow my destiny plan in blood

In your domains  
Guided by the feared creature  
My hate means revenge  
In your domains

Legacy written in blood  
Extinct privilege in the existence  
Guilt ones being acclaimed  
My impure thoughts will crucify your God again

The supreme bestial  
The dark infinite  
Bringing the war of fire and iron  
Annihilating your most insignificant principles  
Weak creature, false knowledge

Guided by the feared being  
My hate means revenge

In your domains
