Long for death, kill your pain  
Feed your flesh, cut it up  
Mental relapse, total abuse  
Burning skin, torture lust

Rip, cut, and open wide  
Blood, flesh, from my veins  
Lust of death in my mind  
Pleasure, pain, pleasure lust

Total Abuse - of a human mind

Total Abuse - end of mankind  
Total Abuse - refuse and die  
Total Abuse - total control

Grip, pull, and tear it out  
Self-destruction, human waste  
Discipline, punishment  
Stick it out you dirty cunt
