"Substance Of Decease"

Sound of winds silences,
The raven croaks last,
Snow reaches the
Ground,
Freezing the crying tears

Darkness in winter
Preaches,
Throughought the lands,
The Vinsketh's knights,
Have risen again
In obscurity.

Vile human race decomposes,
To soil their flesh rots,
To
Vinsketh brought are souls,
As circle of life completes

Reincarnationless
We can live again.
Forever senseless, bound to death.

Malevolent thoughts
Have gathered
Awaiting the end
The Death knights
Have risen again in
Obscurity

Living in dreams forever
We have thought of more
But found the
Only reason
The reason to live as death

Why? Lie in blood of all
Creation
Try not to die when hope is damnation

My soul will see no
Tomorrow

Died in sorrow and pain.

No system has ever existed
Without
Leading to end.
