The cold wind wiped the snow  
Of the frozen iced surface  
The shadow of  
Darkness,  
The cold smell of death

Welcome to the hollow lands,  
No living  
Being  
Has set it's merciful foot  
On this forsaken icy lands

Air narrow and  
Frozen dark,  
Breathing makes you shiver,  
Freezing in the icy mist,  
Cold  
Burns your thoughts away,  
Bones are detaching your flesh,  
Blood turns to dark  
Ice,  
Now you can feel the death.

Welcome!  
To Vinsketh - the land of the  
Undead  
Life has been unknown -  
For centuries disbanded

Welcome!  
To realm  
Where no life returns  
To time where you unite with your death.

For some the  
Mighty begining  
For others cold fearsome death  
Take it with pride and  
Reveal  
Your true nature, your true goal

Death awaits us all

Release your  
Soul -unite with death  
Option of living dead  
Fear the death and let your  
Soul  
Be eaten, torn and lost eternaly.

Welcome!  
To Vinsketh where you die!
