Chorus:

Uncover me.

Discover me.

It's a full-moon night.

I'm a heavy stone.

(And), I'm here alone

Shining in the light.

Glaciers carved the canyon floor.

Rivers cut the valleys.

And, I once lay beneath an ancient sea.

Uncover me.

Discover me.

Rock me gently in your cradle.

Sift the gravel from the gold.

I may be old, but I'm timeless, you'll see.

You'll see the beauty in me.

Chorus

Turn me over in your hand.

I am a gift from this land.

Oh, and, though you may melt me down and wear me
like a band,

You'll never really change what I am.

Chorus
