Morning comes every time
Lasting until the night
And lately it's been hard to see
Reasons to get on my feet
Searching some kind of light
This tunnel is darker than night
And I'm aching, I'm breaking inside
But you can't see through my smile
Chorus:
Broken glass under my bare feet
You are like a flame that burns me from within (haa,
haa)
Like a curse you haunt me in my dreams
You are like an itch that's under my skin (haa, haa)
Now when people get close
They feel the thorns of the rose
And I'll break them, I'll tear them apart
I'm cruel 'cause you stole my heart
Chorus
Now you are where I used to be
Feeling what I used to feel
How does it feel?
How does it feel?
Chorus
Broken glass
