Lately I have been bitter,
Somehow I've kept it all inside
Lately I've gotten over my pathetic complex of you
Somehow I've gotten stronger.

But you're filthy,
You're filthy for what you did to me.
Filthy and I will not forgive thee.
I have never been myself around you,
Always struggling with your ego,
Now it's time for me to grow,
Stronger than anyone I know.

But you're filthy,
You're filthy for what you did to me.
Filthy and I will not forgive thee.
But you're filthy,
You're filthy for what you did to me.
You're filthy,
Filthy for being thee.
And now our whole lives have been turned,
All of our bandages burnt,
You are the evil one still
And I'm complete with my self
But you're filthy,
You're filthy for what you did to me.
Filthy and I will not forgive thee.
I'm guilty,
I'm guilty for believing in thee I'm guilty,
Guilty for being me.
