Looking at the stars
I draw lines to see your face
I try to change the picture
But it wont erase

Sitting next to you
I know what happy means
It doesnt't only happen in Pretty in Pink

Now Ive seen your world
I don't want my own, my own
My own

There's always one more day
That i'll have to wait
To take late nite walks
Laughing with you in the park
Or touch your hand
While riding in the car

Drinking cherry slurpees
On your lawn under the tree
Sharing jr mints
Watching the Maurie

I dreamed that we played skee ball on valentines day
I looked hard but it wasn't far away

Now ive seen your world
I don't want my own, my own

There's always one more day
That i'll have to wait
To take late nite walks
Laughing with you in the park
Or touch your hand
While riding in the car

I've found Heavens Not Far
I've found out Heavens Not Far
