Saturday night you're high on crank
Eating club sammwiches at Ben Franks
Hollywood Babe it's just not my trip

Buying your groceries at Pink Dot
Trying to be somebody that your aren't
Cheerios cost a lot on the Sunset Strip

Baby come back down to me
Baby come back down to me
Baby come back to Pasadena
Come back down to me

You're party in the clubs on your GHB
Baby nobodies ever caught herpes from me
I see it on the news all the time makes me wanna cry

While I'm sitting home with I Love Lucy
You're out on the town with Danny Bonadochee
Hey Ricky Aye Aye Aye Aye

Baby come back down to me
Baby come back down to me
Baby come back to Pasadena
Come back down to me

You spend your time at the Viper Room
What's so wrong with my living room?
Celebrities they come and they go
One day your Keri Grant, the next your Scott Baio[sp?]

Aspiring actress and a social ladder climber
Saw you at Dennys with Rodney Biginhiemer
Congraduation it looks like you're the pick of the day

Baby come back down to me
Baby come back down to me
Baby come back to Pasadena
Come back down to me

Ba ba bababa ba ba ba
