I know a girl, Nikki Webster
The cutest in the world, Nikki Webster
Strawberry curls, Nikki Webster
Yeah you're the tops of pops
Nikki Webster
So far away, across the sea
Down in Australia, that's where she be
At the movies, at the show
Eating Hungry Jacks, on the radio
She likes to ride her horse, Nikki Webster
Swimming's her favorite sport, Nikki Webster
She's only 3 foot 4, Nikki Webster
What can I do? I love you!
Nikki Webster
Can I take you home? Lock you in a cage?
Poke you with a stick, and feed you mayonnaise?
Won't you jump around like a monkey in a zoo
If I dress up like a clown, is it alright with you?
Is it alright with you?
We love you Nikki Webster!
