Strange how it goes, one never knows,
What this life has planned for tomorrow
And sometimes the things that hurt your
Feelings turn out to be the best for all of us
No matter how I cry, no matter what I do or say,
I know I'll lose you anyway
No matter how I try, no matter if I beg you on my knees,
I know tomorrow's gonna take us apart
I guess this is it, the time has come,
Walk away, walk away don't look back
Dry up your tears, put on a smile,
Don't you know a new life is waiting for you
No matter how I cry,
No matter what I do or say,
I know I'll lose you anyway
No matter how I fight,
No matter if I beg you on my knees,
I know tomorrow's gonna take us apart
No matter how I cry,
No matter what I do or say,
I know I'll lose you anyway
No matter how I fight,
No matter if I beg you on my knees,
I know tomorrow's gonna take us apart
