"Out Of Reach"

You're a free girl.
You've got a heavy metal jacket, and you look like
Bryan Adams
With Camoflauge pants on.
You're getting bad grades and you're always wearin'
shades.
It's a shame

You're out of reach girl.
It's not hard to see, girl
Out of reach, girl

I saw you at a party, girl
You had a stain on your dress, and your face was a
mess
And you were going on and on about nothing.
Saw your creepy little show 'till your Camaro came and
took you away

You're out of reach girl.
It's not hard to see, girl
Out of reach girl.

Oh, I don't know what it's like to be with you.
Oh, I don't think that I wanna know.
Oh, all I know is that it makes me sad to see you.
You were sitting all night at the Waffle House
Waiting for someone to take you away.

Yeah, Yeah, don't Forget Camaro

You're out of reach, girl
You got a look on your face like you're lost in space.
It's 'DANGER, WILL ROBINSON!'
You're out of reach girl.
It's not hard to see, girl.
Out of reach girl.
Go!
Don't get in camaro
Don't get in camaro

Oh, you're out of reach girl!
