"Rise Above"

Yeah im tried of you
Sick of all your abuse
And condenstion
Im sick of you

Tired of the games
You play like a child
Tired of the lies
And your cheap ass smile

Im gonna rise above it all
And then i'll leave you feeling small
Try to stop me
I'll shoot straight through
I'm walking out on you

Throw your hand at me
Had it all sewn up
You tasted the sucess
Now you're blowing it up

All your lame excuses
What a fuckin joke
I swallowed my pride
Now you're gonna joke

Im gonna rise above it all
And then i'll leave you feeling small
Try to stop me
I'll shoot straight through
I'm walking out on you

Yeah im tried of you
Sick of all your abuse
And condenstion
So sick of you
When you put me down
Too much too long
You think you're better than me
Well i think you're wrong
