Ooh ooooh ooh  
Your name is on the wall  
Of the high school bathroom stall  
Your boyfriends on the \_\_\_\_\_  
Because you slept with all his friends

Lost your job  
Now you're broke  
And you're all out of smokes  
You're a walking disaster  
Ohh ohhh

Face down on the bathroom floor  
Ive been there before  
Ive been there before

You drank Southern Comfort  
Then you threw up  
All over the couch  
Now your folks want you out

You're not feeling great  
Uh oh  
You are three weeks late  
You're a walking disaster

Face down on the bathroom floor  
Ive been there before  
Ive been there before

Where you going to now?  
My girl  
Where you going to now  
Going to now

Ooooooh's

Where you going to now?  
My girl  
Where you going to now, going to now
