I left my heart back in the Orient
Down on Bali bays
It's not the way that I should feel
But it's the way I'm gonna stay

[chorus]
Downhearted
Broken dreams that never really started
Yeah
Downhearted
Broken dreams that never really start

It seems all wrong to be back home
There's no end in sight
Should I be made to drag you through
This lovers and spite

[chorus]

I sometimes think that we should stay
Happy on the farm
I sometimes think I'll give it all away
This love and all it's charms

[chorus]
