Wanna tell you 'bout my Frenda  
He got hit by a Fender  
But he'll soon be on the menda  
He's of the male genda

Glad to see that he's on his way  
He's not for Burial today

Because he's in... he's indisposed  
Because he's in yeah yeah... he's indisposed

Found him outside the dry cleaners  
Oh the drivers misdemeanors  
I've never seen a face so greena  
He looks a like the cats dinner

Glad to see that he's on his way  
He's not for Burial today

Because he's in... he's indisposed  
Because he's in yeah yeah... he's indisposed

He got hit by a car  
Now he's lying on the tar  
Had an experience bizarre  
Not unlike that makes you laugh ra! ra! hey!

Glad to see that he's on his way  
He's not for Burial today

Because he's in... he's indisposed  
Because he's in... he's indisposed  
Because he's in yeah yeah... he's indisposed
