Faces I remember, I'll still see  
And places in a memory, hold on to me  
I can't wait to crawl out of my shell  
Promises tell me in a thousand ways  
Movin on forever  
Livin' life this way  
And i can't wait to crawl  
I can't wait at all  
I can't wait to crawl

Cuz if I wait too long  
How am I ever gunna reach my destination?  
And now I know the time has come  
It's all right here yeah  
It's all so clear to me

Eyes that open slowly  
It's so hard to see  
I've never seen an angel  
But I'm trying to believe

And I can't wait to crawl  
I can't wait at all  
I can't to crawl  
I can't wait anymore  
I can't wait anymore  
I can't wait anymore
