Sit upon a rooftop, wanting to change the world
To my surprise the world wanted to change me
Catch me please, wasn't gonna be this way
Why, oh why must I change this day?

When I was younger I thought about dreams of
tomorrow
When I was younger life seemed to be so much
When I was younger I thought about dreams of
tomorrow
When I was younger life seemed to be longer

Don't understand my life's master plan
Dreams, they come upon me
Will life change the empty hurt inside me?
No, it won't, yes, it can

When I was younger I thought about dreams of
tomorrow
When I was younger life seemed to be so much
When I was younger I thought about dreams of
tomorrow
When I was younger life seemed to be longer

I realized, time, it stood still
Time has come to move ahead

When I was younger I thought about dreams of
tomorrow
When I was younger life seemed to be so much
When I was younger I thought about dreams of
tomorrow
When I was younger life seemed to be so much

When I was younger I thought about dreams of
tomorrow
(Sit upon a rooftop, wanting to change the world)
When I was younger life seemed to be so much
(Realize the world wanted to change me)
When I was younger I thought about dreams of
tomorrow
(Sit upon a rooftop, wanting to change the world)
