City sleeps, taxi sweeps
Avenue of broken dreams
No-one calls the angel falls
Alice is in wonderland

White man dance heat romance
Neon fashion chatter
Alice is in clubland

(Refr?o:)
Wo-oh-oh-oh while limbo
Wo-oh-oh-oh while limbo

She's no Juliet or gigolo
Years may come
Years may go
Alice is in limbo

(Refr?o)

Alice cried, there's no romance
It's a hopeless dance
Babylon is broken
Alice cried the dream has died
There is no wonderland

(Refr?o)
