Oh the lights here are beautiful
Strung like chandeliers in the rain
But, in the face of my past misdemeanors
I can?t go there again....

So come on and save me from the height of bad
behavior
I?ve got a taste for the misadventures kind
So in the light of it, in spite of it all
I want your 57 flavors
57 reasons
57 moments
57 bad dreams of you.

And it?s so tempting to think of you...
My head on your heart like a marble breeze
Still, in theses moments of quiet reflection
I know that it?s wrong for to think of it -
All the same, I wanna go there again

So come on and save me from the height of bad
behavior
I?ve got a taste and it?s murderous sometimes
So in the light of it, in spite of it all
I want your 57 flavors
57 reasons
57 moments
57 bad dreams of you.

I?ve got bad dreams.....
I?ve got bad dreams of you.....
