Venus loved Dapne and so did Apollo  
So why can't I make myself like a tree?  
Why must I burn daily and nightly  
When nobody's running - well not after me.  
Must I wait, must I pray.  
For something good to come my way?

Oh Daphne was stupid! Oh, how could she do it?  
How could she turn a prince from her door?  
'Cause if you came calling, boy i'd let you in  
But you don't come calling, not anymore.  
So I wait, and I grow old  
When i'm dead, then you'll know.  
Do you know?  
You know.
