to lead a better life
I need my love to be here

here
making each day of the year
changing my life
with a wave of her hand
nobody can
deny that there's something there

there
running my hands through her hair
both of us thinking
how good it can be
someone is speaking
but she doesn't know he's there

I want her everywhere
and if she's beside me
I know I need never care
but to love her is to meet her
everywhere
knowing that love is to share
each one believing
that love never dies
watching her eyes
and hoping I'm always there

I want her everywhere
and if she's beside me
I know I need never care
but to love her is to meet her
everywhere
knowing that love is to share
each one believing
that love never dies
watching her eyes
and hoping I'm always there

to be there and everywhere
here, there and everywhere
