Oh it's the strangest thing,
I wasn't looking out for anything.
My boat had just set sail,
I was flying as the wind prevailed.

What did you think you were doing, doing?
I couldn't shake loose, not from you, not from you.
I couldn't shake loose, now I don't mind.

Put your hands up,
Say you won't stop
Giving me love,
Cos I need you to feel me, feel me.
Put your hands up,
Say you won't stop
Giving me love
I don't care if it's greedy, greedy.

Whatever you want, you've got it.
Whatever you do I'm on it.
Whatever you want, you've got it,
Just put your hands up.

I was a lonely girl,
Swimming lost in the widest sea.
But the truth of it,
There ain't no man could ever get to me.

Now I just see stars when I'm with you.
This is my heart that I give you.
What did you do with your voodoo, voodoo child?
What did you do to me?

Put your hands up,
Say you won't stop
Giving me love,
Cos I need you to feel me, feel me.
Put your hands up,
Say you won't stop
Giving me love
I don't care if it's greedy, greedy.

Whatever you want, you've got it.
Whatever you do I'm on it.
Whatever you want, you've got it,
Just put your hands up.

Put your hands up.
(Oh, oh, oh, oh, oh, oh)
Put your hands up.
(Oooooooh)

Put your hands up,
Say you won't stop
Giving me love,
Cos I need you to feel me, feel me.
Put your hands up,
Say you won't stop
Giving me love
I don't care if it's greedy, greedy.

Whatever you want, you've got it.
Whatever you do I'm on it.
Whatever you want, you've got it,
Just put your hands up

Put your hands up now,
Come on and put your hands up now.
Whatever you want you've got it,
Just put your hands up
