I woke up late today  
Actually I do that everyday  
Got no place to be seen  
I'm not part of a scene  
I'm a genius loser  
Keeping counsel with my own opinion  
President of the state that I'm in  
Should I just stay in bed?  
Should I live in my head?  
Oh God so many questions to ask

Oh you could call me lazy  
I think of it as taking my time  
'Cos I don't want to do what I don't want to do  
I'm the queen refusenik

[CHORUS]

But - oh my God - if I was somebody I'd be doing it all  
just fine  
But I'm a real late starter  
So I'm making up for lost time  
Oh my God - if I was somebody you'd be kissing my  
arse right now  
But I'm so polite - I do it all of the time  
I missed my calling in life  
Oh well.

Day by day I wonder  
If I will be torn asunder  
By these things that I know that nobody else knows  
Or maybe it's the drinking  
I guess we should consult a Bible  
Everybody needs a sign - or  
Bless the birds and the bees  
The flowers and trees  
And blessed be the slacker

[CHORUS]

But - oh my God - if I was somebody I'd be doing it all  
just fine  
But I'm a real late starter

So I'm making up for lost time  
Oh my God - if I was somebody you'd be kissing my  
arse right now  
But I'm so polite - I do this all of the time  
I missed my calling in life

And you must be having a laugh  
Oh God - you're having a laugh  
No point in worrying if my day's a disaster  
Inside my little head I'm happy ever after  
Yes I am

[CHORUS]

Oh my God - if I was somebody I'd be doing it all just  
fine  
But I'm a real late starter  
So I'm making up for lost time  
Oh my God - if I was somebody you'd be kissing my  
arse right now  
But I'm so polite  
I missed my calling in life

[CHORUS]

Oh my God - if I was somebody I'd be doing it all just  
fine  
But I'm a real late starter  
So I'm making up for lost time  
Oh my God - if I was somebody you'd be kissing my  
arse right now  
But I'm so polite - I do this all of the time  
I missed my calling in life  
Oooh - what of my life?  
Yeah well.
