Can you feel the pain?  
That I was set to feel  
Let me out from this hole,  
I have seen too much of these  
Denial comes again  
I'm still awake  
I'm holdin on, I'm holding strong  
I'm closer to the edge

I need to know the reason  
Why or how could this be real  
I should've known my reasons  
I can't get on, I'm stuck inside this prison

So let me live another day, please let me know  
If there is still a taste of silk and velvet in her hair

I need to know the reasons  
Why the stars lined up when I was still awake

If I could tell the world of my mistakes  
Then I will be the one, once again  
If I could plead you to be beside of me  
Then I won't be alone again

Can you feel the pain?  
That I was set to feel  
I'm holdin' on, I'm holding strong  
I'm closer to the edge

I'm still awake
