Striving in the dark path  
Looking for an answer  
Holding the curse of Nath  
Calling the Lucifer

Euthiria  
Bloodshed  
Puritanica  
Forever dead

Holding the flame  
Carrying the blame  
I'll show this place  
The face of death

Euthiria  
Bloodshed  
Puritanica  
Forever dead

"War... Pain... Blood... Death..."

"Demolition...  
Human killing human  
Demolition...  
His holiness has bred  
Demolition...  
Human killing human"

Life,  
My mission to end  
Death,  
I won't regret  
Blasphemy  
Of the past  
Velocity  
I will cast

Constructing  
My  
Hatred  
Toward s this life he has bred

Blasphemy  
Of the past  
Velocity  
I will cast

"War... Torture... Blood... Death..."

"Demolition...  
Human killing human  
Demolition...  
His holiness has bred  
Demolition...  
Human killing human"

On earth you're walking  
All the shit you're preaching  
All your beliefs are forgotten  
What kind of faith you're approving
